

## TECHNICAL DATASHEET SAINT VERAN « NORD-SUD »

A beautiful meeting...

One plot in the "North" and one in the "South" of the Saint Véran appellation gives this blend a perfect balance between citrus fruit, minerality and richness.

*HVE level 3 certification since the 2018 harvest.*

**Appellation :** Saint Véran " Nord-Sud".

**Soil type :** Clay and limestone

**Grape variety :** Chardonnay

**Surface area:** 1.40 Hectares

**Average age of the vines:** 30 years

**Harvesting method:** Machine

**Method of vinification:** Blending of stainless steel vats at low temperature to bring out the fruity aromas and 100% French oak barrels.

Sulphur-free vinification

**Maturing method:** 8 months on the lees

**Tasting: Ripe:** yellow fruit aromas, generous and well-balanced on the palate.
